

MONTHLY BULLETIN on hate crimes

JUNE 2023

Crime motivated by intolerance, i.e. prejudice toward a certain group in society is described as hate crime. In order for this type of crime to exist, two key elements have to be fulfilled: the crime must be criminalized under criminal law and the criminal act must be motivated by a prejudice. The Helsinki Committee for Human Rights registers and maps hate crimes and this monthly bulletin presents an overview of the registered incidents for the specific period.
